Report on the Administration of Jails and Lock-ups.

Reviews the —— in the State for the calendar year 1931.

READ—

Letter No. C. 12-39, dated 13th May 1932, from the Inspector-General of Prisons in Mysore, submitting the report on the working of the Jails and Lock-ups in the State during the calendar year 1931, with the prescribed statistical returns.

ORDER NO. G. 384-97—PRIS. 70-31-3, DATED BANGALORE, THE 13TH JULY 1932.

Recorded.

2. The total number of prisoners of all classes confined in the Jails and Lock-ups including 875 remaining at the end of the previous year, was 6,656. Of these, 5,770 were discharged, leaving a balance of 886 prisoners at the close of the year. The daily average number of prisoners slightly fell from 859·04 in the year 1930 to 854·11 in the year under report. The total number of juvenile prisoners under the age of 15 rose from 106 in the previous year to 115, of whom 26 were old offenders. The number of prison offences declined from 1,006 in 1930 to 951 in the year under review. The percentage of corporal punishment awarded to the prisoners for Jail offences also declined from 10·54 in the previous year to 5·99 in the year under report.

3. The gross expenditure of the Department was Rs. 1,35,105-2-7 against Rs. 1,41,565-6-11 in the previous year showing a decrease of Rs. 6,460-4-4.

4. The cash earnings from the employment of convicts on remunerative labour rose from Rs. 35,553-1-1 in 1930 to Rs. 38,091-13-10 giving an average cash earning of Rs. 74-6-4 per head of prisoners sentenced to labour as against Rs. 67-3-9 in the previous year. The total cost of maintenance of prisoners in the two Jails was Rs. 1,06,287-6-3 as against Rs. 1,11,815-6-11 in the previous year. The average net cost after deducting cash earnings works out to Rs. 98-6-2 per head as against Rs. 108-0-10 in the previous year. This decrease in the average cost is due to the reduced expenditure under most of the heads as well as to increased earnings.

5. The health, discipline and conduct of the prisoners in the Jails and Lock-ups continued to be satisfactory throughout the year.

6. A sum of Rs. 56,467-3-4 was realised during the year from industries in the two Jails against Rs. 69,413 in the preceding year.

7. The question of converting the Mysore Jail into a District Lock-up, referred to in the previous year's review, was dropped as it was considered that the existing accommodation in the Jail, though it is in excess of present needs, might be required in an emergency.

8. Fifty-one long term prisoners were released on probation on the recommendation of the Standing Advisory Boards of the two Jails in Bangalore and Mysore.

Government regret to observe that no official or non-official member of the Board of Visitors visited the Mysore Jail and that except the District Magistrate of Bangalore, no other official visitor visited the Central Jail, Bangalore.

DR. S. SUBBA RAO, ESQ., B.A., M.B.C.M., M.R.C.S. (Eng.),

Inspector-General of Prisons in Mysore,

N. MADHAVA RAO, ESQ., B.A., B.L.,
Chief Secretary to Government
of His Highness the Mahārāja of Mysore,
Bangalore.

SIR,

I have the honour to submit herewith the Annual Report together with the usual Statistical Returns on the Administration of the Jails and Lock-ups of the State for the calendar year 1931.

2. The report is, as usual, divided into three parts, *viz.*,

Part I. dealing with the Jails at Bangalore and Mysore.
Part II. dealing with Lock-ups.
Part III. containing observations on the General Administration of the Department.

3. *Classes of Jails and Lock-ups.*—The number of Jails and Lock-ups in the State remained the same as in the previous years as noted below :—

One Central Jail at Bangalore.
One District Jail at Mysore.
Six District Lock-ups at the Headquarter towns of Districts except Bangalore and Mysore.
One Special Lock-up at Champion Reefs, Kolar Gold Fields.
Seventy-one Taluk Lock-ups and one Lock-up at Kalasa (Kadur District).
(The Taluk Lock-ups have since been reduced to 46 as per G. O. No. G. 5782-93—Pris 46-30-24, dated the 16th January 1932.)

4. The Department was under my charge throughout the year.

PART I—JAILS.

5. *Buildings and Accommodations.*—The buildings for the Bangalore Central Jail are very old, and require considerable expenditure to maintain them in good order. A garden of a suitable size to provide open air work to the weak and the infirm, a Borstal for Juveniles, and separated blocks of buildings for Civil, Simple, Under-trial and Habitual prisoners are very necessary. The question of constructing a new Jail with due provision for all the above needs deserves notice at the hands of Government.

The buildings of the Mysore Jail, though old, are in good state of repairs, excepting some of the terrace beams which require to be re-placed by iron girders. The inadequacy of accommodation in the Civil ward and Quarantine of the Jail has not yet been remedied.

4. *Clothing and Bedding.*—The increase is due to the bills of the previous year having been paid during the year under report.

5. *Charges for Moving Prisoners.*—The increase is due to the fact that the number of prisoners who received travelling expenses during the year was larger than in the preceding year.

6. *Charges for Miscellaneous Services and Supplies.*—The decrease under this head is mainly due to the decrease in the lighting expenses during the year under report.

7. *Sanitation Charges.*—The increase is due to the arrears of excess of water charges for the two preceding years having been adjusted during the year under report.

8. *Travelling Allowance.*—There has been a decrease under this head.

9. *Contingencies.*—The slight increase under this head calls for no remarks.

23. The cost per prisoner was Rs. 153-5-6 during the year under report against Rs. 164-12-9 in the year 1930.

24. As a result of employment of convicts on remunerative labour, a sum of Rs. 38,091-13-10 was realised against Rs. 35,553-1-1 during the year 1930. There was thus an increase in the average cash earnings per head of working convicts from Rs. 67-3-9 in 1930 to Rs. 74-6-4 during the year under report.

25. *Net Cost of Prisoners.*—The total cost of maintenance of prisoners in the two Jails amounts to Rs. 1,06,287-6-3 as stated in para 22 of the report. If the total earnings of Rs. 38,091-13-10 is deducted from the above, the net cost of maintenance of prisoners comes to Rs. 68,195-8-5 or Rs. 98-6-2 per head against Rs. 76,262-5-10 or Rs. 108-0-10 per head in the year 1930. The decrease per head is due to the decreased expenditure under most of the heads as well as to the increased earnings.
